RELIANCE LINE.

GASOLINE ENGINES

Used all winter.

Dear Sir: I am glad to say that the Reliance Woodpecker engine 4 h. p. purchased of you last fall, has given me entire satisfaction. It develops fully its rated power, easily kept in order, is easy to start and always starts and I consider it an ideal power for farm use. Last winter I saved quite a lot of wood with drag saw for my neighbors and in every case gave entire satisfaction. Can cut four cords of maple wood an hour and by selecting logs can cut five cords. Can cut a big two-horse load of ensilage corn, 1/2 inch long in 10 to 12 minutes.

Have also used engines for threshing, running circular saw and cream separator with equally good results.

Very truly yours,

L. M. HOGABOONE.

Think it over. Did you ever hear of TROUBLES in connection with a Reliance? DID YOU? We can save you money on Silos, Ensilage Cutters, Wood Saws, Saw Mills, Shingle Machines, Steam Engines, and Boilers. Headquarters for Hydro-Pneumatic Water and Electric Lighting Systems.

Lyndonville.

A Serenade to George Shorey, Town Representative.

The Lyndonville Military band, escorted by a number of our citizens, called on Representative-elect George Shorey Saturday evening and gave him an informal serenade. Rev. I. W. McLaughlin made a brief speech of congratulation, to which Mr. Shorey pleasantly responded and the cigars of peace were smoked. Mr. Shorey was elected after a very even three-cornered struggle, and may consider it an honor to be elected, a democrat, from a strong republican town.
